

Spring break is around the corner and we wanted to send out a reminder to everyone.

ALL vehicles parked at the building are required to have a Grand Caribbean Registration Pass with all information completed on the pass and visible at all times or the blue static cling owner decal. If these two passes are not visible the vehicle is subject to being towed. This policy is strictly enforced. Make sure that your rental company is aware that all vehicles must have the correct pass with valid dates written on it.

Passes can be purchased from the Young's Suncoast main office at 3639 Gulf Shores Pkwy. Owners that rent their own units can purchase passes in advance by mail.

*Make checks payable to **Grand Caribbean***

Passes are \$20.00 each. Please write your unit number on check.

If mailing a check with your association fees, please write a separate check for the passes. Also, we have a registration pass for guest visitors. These passes are temporary for the visitation day. The security guard has the guest registration passes. We must know the owner of each vehicle in our parking lot.

No more than 2 vehicles per unit can be parked at the building at one time. If you have more than 2 vehicles, the additional vehicles will need to be parked off property.

The boat parking spaces are ONLY for boat trailers and not intended for single car parking. Guests are not allowed to bring watercraft on site between Memorial Day and Labor Day. Only owners will be permitted to have watercraft during this time. There are 5 designated boat trailer parking spaces and they are first come first serve. The watercraft must have an owner decal or Grand Caribbean Registration Pass. Parking of watercraft is for only 1 week. The storing of watercraft is not permitted at the building and subject to being towed.

Guests are prohibited from bringing pets on the property or into the building. Owners will be subject to a \$500.00 fine for any guests with pets, including friends or family. Owners can have pets but they must be registered with Linda Tresler at Young's Suncoast. A pet tag must be purchased for each pet. Pet tag cost is \$10.00.

Thank you for taking the time to read this and we hope everyone has a safe and great spring break!
