

April 7, 2021

The new SkyWalk Flooring had an issue at the two Expansion Joints. Bama Flooring will be onsite today, April 7, to address this. This is a trip hazard and would be a safety issue. This means that the **SkyWalk will open on Thursday, April 8**. This extra day will allow us to paint the new Interior Doors.

Thank you in advance for your understanding.

Regards,

Kevin

President, Board of Directors
